## Grant Recipient

**Dr. Grace Yan**  
Assistant Professor  
Department of Civil, Architectural & Environmental Engineering

## Activities

- I made 3 presentations; talked to other researchers about further developing my research ideas.
- I networked with Dr. Ted Stathopoulos, Dr. Yukio Tamura and Dr. Girma from Western University as well as other researchers.

## Proposal

- June 18-22, 2018/ Seoul, Korea
- Hotel: $450; Airfare: $1710; Registration: $700
- This conference is about computational wind engineering, which is exactly my research focus.

## Outcomes

- Found collaboration on proposal and paper writing.
- Collaborated with a researcher to revise a declined proposal; collaborated with another researcher on a manuscript.
