| ❖ Dates/location of the meeting  
   ➤ June 18 - 22, 2018 / Strasbour, France  
❖ Itemized budget request  
   ➤ $1000 to partially support my flight and conference registration expenses  
❖ Why did you choose this trip, meeting, etc.?  
   ➤ This is one of the most prestigious conferences in materials science in Europe and the world. I was invited to give a talk, chair a session, and meet with my European colleagues | ❖ Anticipated benefits of the trip.  
   ➤ The trip gave me the opportunity to meet with a company which is going to fund a few hundred thousand dollars sponsored research project on campus. Meeting company representatives in person at this conference was critically important  
❖ Expected follow-on activities.  
   ➤ New research project will start in Fall 2018  
   ➤ I initiated new collaborations with my European colleagues, which will result in several high-profile research papers  
   ➤ My invited talk further strengthened visibility and leadership role of Missouri S&T in the area of carbon nanomaterials and two-dimensional materials |
