Disability Support Services

Missouri S&T is committed to promoting academic success and personal growth for students. A disability does not have to be a barrier to a student's success. The staff of Disability Support Services understands the unique challenges a student with a disability faces and our goal is to provide reasonable and appropriate accommodative services to ensure equal access to all that Missouri S&T offers. If you are a student with a learning disability, a visual disability, use a wheelchair or have any other disability and would like more information about our services, please feel free to contact us to schedule a personal, confidential appointment.
