

**Where funding connected with researcher expertise turns into success.**

## **Pivot at Missouri S&T**

The University of Missouri System maintains a campus-wide subscription to Pivot, a comprehensive database of grant, award, fellowship, and other funding opportunities covering all disciplines. Pivot provides a portal for researchers on the S&T campus to setup automated searches for funding opportunities based upon your research interest.

The following resources are available to help you get started:

- Short video tutorials for new users, established users and a need for training are linked on the Pivot Funding Opportunities funding page on the Office of Sponsored Programs website:  
<http://sponsoredprograms.mst.edu/funding/>
- Pivot maintains a comprehensive set of Help documents on its Support page and offers free live and recorded training webinars each month:  
<https://pivot.desk.com/>

**Pinpoint global funding and collaborative opportunities simultaneously.
