

Grant Recipient

Dr. Amardeep Kaur
Assistant Teaching Professor
Electrical & Computer Engg.

Activities

- ❖ Activities: ASEE Annual Conference
- Moderator - Technical Session on Curricular Innovations II
- Attended Zone III and Council of Sections business meeting
- ECE Division networking dinner
- NSF Education workshop
- ❖ Met with:
 - ECE Division members at the networking dinner
 - Faculty from Colorado Tech, MIT, Univ. of Central Florida
 - ASEE Midwest section officers

Proposal

- ❖ 06/23/2018 – 06/28/2018, Salt Lake City, Utah
- ❖ Registration: \$700, Travel: \$500, Meals: \$100 (Proposed costs)
- ❖ Opportunities to network, become part of the ASEE national operation, seek opportunities for leadership positions in ECE Division
- ❖ Opportunities to seek new research in engineering education, new collaboration and new methodologies that might be relevant in applying to my own coursework

Outcomes

- ❖ Ideas for presentations at future ASEE conferences
- ❖ Established contacts for possible NSF education proposals
- ❖ Discovered new tools that can be incorporated in coursework at S&T
- ❖ Met with cohort from KEEN workshop and exchanged progress on circuits coursework developments
- ❖ Found possible leadership positions at ASEE zone and division level that I can engage in after my term as Chair of Midwest section comes to conclusion
