 - Met and discussed collaborations with colleagues at NYU and U. of Nebraska

Proposal

Outcomes

- ❖ Annual meeting of the Society for Neuroscience, November 3-7, 2018, San Diego, California
- ❖ Budget
 - Abstract submission fee: \$135
 - Meeting registration: \$400
 - Airfare: \$350
 - Lodging: \$1,680 (\$280/night)
 - Per diem: \$448 (\$64/day)
- ❖ I chose to attend because this is the largest meeting of neuroscientists (30,000 attendees) and is the best place to network in the field

- ❖ Meeting with program officers was very beneficial, as I will be preparing a proposal to submit as an R01 to the NIH in the coming months.
- ❖ I have since been in touch with the POs via email to continue working on my grant proposal
- ❖ As a result of my poster presentation, my work will be featured on an upcoming podcast
- ❖ Furthered progress on collaborative projects by meeting with collaborators in-person during the meeting
