ALP

Activities

- ❖ Attended panel discussions concerning
 - The future of STEM in the Foreign Language classroom
 - an OER collaboration is in the works stemming from my involvement in this
 - Introduction to the Digital Humanities
 - Digital Humanities in the Foreign Language classroom
- ❖ Met with the Women’s Caucus and Women in French
 - explored leadership roles within both organizations.

Proposal

- ❖ Modern Language Association 2019 Convention
- ❖ \$1000.00 for travel, lodging and convention fee
- ❖ The MLA Convention is the premier gathering of Humanities educators and professionals. I chose this convention to attend STEM focused language & pedagogical presentations, digital humanities workshops and explore leadership roles within professional organizations

Outcomes

- ❖ I have begin using digital humanities strategies and resources to assist my students and other educators.
- ❖ Networking with Foreign Language educators who have successfully grown their programs has developed into an OER project to grow the S&T French department.
- ❖ In collaboration with Dr. Langston, I will be attending a webinar hosted by MLA’19 panelists to further develop our OER text project.
