Activities

- ❖ I gave two presentations in two minisymposiums
- ❖ Attended at least ten special sessions
- ❖ Met or networked with:
 - Prof. Shouhong Wang from IU
 - Prof. Xiaoming Wang from Fudan U
 - Prof. Jinkai Li from CUHK
 - Prof. Alain Miranville from France
 - Prof. Jie Shen from Purdue U
 - Prof. Qi Wang from USC

Proposal

- ❖ AIMS Conference on Dynamical Systems, Differential Equations and applications
- ❖ July 5–9, 2018, Taipei
- ❖ \$1,200 for airfare; \$350 for registration; \$700 for lodging
- ❖ Attending this international conference allows me to disseminate my research worldwide. It also gives me an opportunity to develop new networks. Last but not least, I get exposure to new development/ideas in my research area.

Outcomes

- ❖ Exposure of my research to large audience
- ❖ Enlargement of network and collaboration
- ❖ Advancement of my own research
- ❖ Expected follow-on activities:
 - Pursue further my research in new directions;
 - Get invited to speak in various venues;
 - Collaborate on new projects.
