

Grant Recipient

Activities

Dr. Haiming Wen
Assistant Professor
Department of Materials
Science and Engineering
Department of Mining and
Nuclear Engineering

- ❖ Gave an invited talk entitled “Development and characterization of nanostructured steels for nuclear applications”
- ❖ Organized and chaired a symposium “Atom probe tomography for advanced characterization of metals, minerals and materials”
- ❖ Attended meetings of four committee : ACTS, NMC, MBMC, NMBC
- ❖ Networked with colleagues and collaborators from other universities and national labs

Proposal

Outcomes

- ❖ The Minerals, Metals and Materials (TMS) Society 2018 Annual Conference, March 11-15, Phoenix, Arizona
- ❖ Registration \$750, airfare \$500, hotel \$750, meals \$300, ground transportation \$200, total \$2,500; requested \$1,000 from CAFE
- ❖ TMS Annual Meeting & Exhibition is one of the largest and most important conferences in materials science and engineering, with >4,000 people attending

- ❖ Enhanced visibility of my research program
- ❖ More engagement in activities at professional societies
- ❖ New opportunities for research collaborations
- ❖ New opportunities for joint research proposals
- ❖ New collaborative research proposals to be submitted to DOE and NSF
