

Grant Recipient

Dr. Hongyan Ma
Assistant Professor
CArEE

Activities

- ❖ What did you do?
 - Attended ACI Convention (several technical sessions, social sessions, and technical committee meetings).
- ❖ Who did you meet with or network with?
 - Professors from different countries;
 - Committee chairs;
 - Potential industrial partners.

Proposal

- ❖ Dates/location of the meeting
Salt Lake City, March 24-28, 2018
- ❖ Itemized budget request
\$540 Registration Fee; \$460 Air Fare
- ❖ Why did you choose this trip, meeting, etc.?
ACI Conventions, twice a year, are the biggest communication platforms of cement and concrete researchers

Outcomes

- ❖ Anticipated benefits of the trip
 - Connections to faculty with similar interests;
 - Connections to industrial collaborators;
 - Involvement in drafting committee documents;
 - Meeting officers of national (Portland cement, Ready Mix Concrete, etc.) associations.
- ❖ Expected follow-on activities
 - Conduct collaborative research;
 - Submit joint proposals to NSF.
