

## Grant Recipient

Dr. Vadym Mochalin  
  
Associate Professor  
Department of Chemistry

## Activities

- ❖ What did you do?
  - Gave an invited talk
  - Chaired a session
  - Met with company who is going to start an externally sponsored project on campus this fall
- ❖ Who did you meet with or network with?
  - ❖ Top researchers in the area of nanocarbon materials
  - ❖ Potential Ph.D. students and post-docs to my group at Missouri S@T

## Proposal

- ❖ Dates/location of the meeting
  - ❖ June 18 - 22, 2018 / Strasbourg, France
- ❖ Itemized budget request
  - ❖ \$1000 to partially support my flight and conference registration expenses
- ❖ Why did you choose this trip, meeting, etc.?
  - ❖ This is one of the most prestigious conferences in materials science in Europe and the world. I was invited to give a talk, chair a session, and meet with my European colleagues

## Outcomes

- ❖ Anticipated benefits of the trip.
- ❖ The trip gave me the opportunity to meet with a company which is going to fund *a few hundred thousand dollars sponsored research project on campus*. Meeting company representatives in person at this conference was critically important
- ❖ Expected follow-on activities.
- ❖ New research project will start in Fall 2018
- ❖ I initiated new collaborations with my European colleagues, which will result in several high-profile research papers
- ❖ My invited talk further strengthened visibility and leadership role of Missouri S&T in the area of carbon nanomaterials and two-dimensional materials
