CALL FOR PRESENTATIONS

Innovation in Teaching and Learning Conference
March 17, 2022

The Center for Advancing Faculty Excellence at Missouri University of Science and Technology (Missouri S&T) would like to invite you to submit a presentation proposal for our Innovation in Teaching and Learning Conference (ITLC), scheduled for March 17, 2022.

Missouri S&T’s Innovation in Teaching and Learning Conference is an excellent forum in which to share your ideas on this broad and complex topic!

Please submit all proposals by Friday, October 29, 2021 to cafe@mst.edu. Decisions regarding acceptance will be made by Friday, November 19, 2021, with notification following soon after. If you do not receive a notification by Christmas, 2021, then please feel free to contact us to see if you have been accepted or not.

GENERAL INFORMATION

The conference will take place in Butler-Carlton Hall on the Missouri S&T campus, consisting of concurrent sessions. Pick the session that best fits your topic of presentation. We are seeking proposals from faculty and teaching professionals who would like to share their experiences in teaching and learning.

SESSION TYPES:

- **STANDARD SESSION** – A “standard session” is a 45-minute breakout session presentation.

- **“LEARNING STACK” SESSION** – A “Learning Stack” session is a shorter presentation (15-20 minutes) where you will present a brief overview of strategies, techniques, methods, innovations, or tools that have helped you encourage and motivate learning in your teaching environment (K – 12, community college, higher education, etc.). Audience Q & A will be encouraged, so please keep your presentations concise and to the point! Two “Learning Stack” sessions will take place during the same time slot as a standard session.

- **VIRTUAL SESSION (NEW!)** -- For ITLC, we are offering the opportunity to do a "virtual" session via Zoom. On-site attendees will join you in a classroom. A moderator will facilitate the Zoom meeting room. Virtual sessions are 15-20 minutes. Multiple virtual sessions will take place during the same time slot as a standard session. Virtual slots are limited, so sign up now to present!

- **HANDS-ON WORKSHOP** – If you have a demonstration that would not fit within our standard session, this is for you. These 1 hour 45-minute sessions are a great way to give a hands-on demonstration about your topic.

Presentation Time/Type: Please rank your TOP THREE choices for slots (1 – 3, with “1” being most preferred). We will use this information to help us schedule the presentations. Print/type your preferences in the blank provided.

Thursday, March 17:
___ 12:15 - 1:00 p.m. Breakout Session
___ 1:15 - 2:00 p.m. Breakout Session
___ 2:15 - 3:00 p.m. Breakout Session

Presentation Type (select ONE):
___ Standard Session (45 minutes)
___ Learning Stack Session (15 – 20 minutes)
___ Virtual Session (15 – 20 minutes)
___ Hands-on Workshop (1 hour 45 minutes)

Intended Audience (check all that apply):
___ Higher Education
___ K – 12 Education

Additional Presenters: ________________________________________________________________

Presentation Title: _________________________________________________________________

Presentation Tags/Keywords: _________________________________________________________

______________________________________________________________________________
Presentation Summary:
Write 2-3 sentences that clearly describe your session. The description will be included in the conference information.

Audio-Visual Needs
(All rooms in Butler-Carlton Hall are equipped with a computer, laptop connector, a projector, and internet access.)

Presenter Profile:
Please give us a brief description of your academic/research interests, along with any other personal/professional information you would like to share about yourself. This information will be posted on the ITLC conference web site to give attendees some idea of who you are and what interests you about teaching and learning.

Proposals are due by Thursday, October 29, 2021.
